LEATHER is an icon of **ARGENTINE IDENTITY**, and is recognized worldwide for its **quality**.

It has excellent **strength** and **flexibility** properties and is a noble and durable material

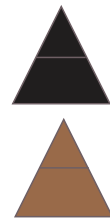

We use **vegetable tanned leather**. Among the various tanning methods, the vegetable, is the only one that can give leather unique characteristics, the most natural and the friendliest with the environment.

3 TRIPLE IMPACT

AURA was thought from its ideation, as a **sustainable** product, taking into account its social, economic and environmental impact.

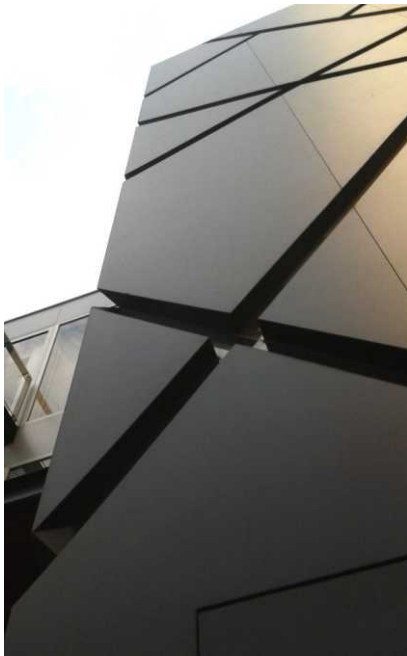

At this time, it is vitally important to become aware of what we produce and what we consume, and how this affects the environment.

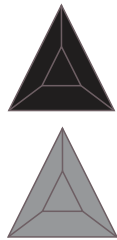

NO WASTE!
